Sudden Stop on Freeway

Aurelia C. DeLozier, 46, listed at 3206 N. Adams st., Arlington, "blacked out" while driving this car on the Whitehurst freeway at noon yesterday, she reported to police, and wound up in this predicament. Mrs. DeLozier, an analyst for the Central Intelligence Agency, was driving west on the freeway at the time. Her car hit the north curb, then bounced across the center island of the freeway and hit the south side with enough force to tear down 12 5-foot sections of the iron railing. The point visible below Mrs. DeLozier's car is the intersection of K and 29th sts. nw. Traffic on the freeway was tied up for an hour and Mrs. DeLozier was taken to Georgetown Hospital for treatment of a neck injury. A corporation counsel's hearing was set for July 21.
